

Softball Games Start In May

Double Bill Four Nights Weekly Planned By Industrial League

Industrial softball will start in Torrance either May 1 or 3. Two games will be played a night four nights a week with first games starting at 6:45.

That's the news from the first organization meeting of the year for the managers and team captains of the Industrial Softball League held Monday night at the home of re-elected League President Bob Moffitt.

The only hitch in the whole evening was that after the team representatives voted for a five-team league this year, it was discovered that only nine teams have applied for entrance to the league and one of them may have to drop out because of lack of funds.

The exact date of the beginning of league play will depend on dates for tournaments to be held later in the season and as soon as those are determined a definite date will be set—probably within two weeks.

Represented at the meeting were the following teams and their representatives:

American Rock Wool Company, Henry Camou; General Petroleum, Chiff McGuire, manager; Harvey Machine Company, represented by team members Jim Redick and George Scheklein in lieu of Manager Bill Russell now recovering from a recent operation; Lovelady Hardware Company, Manager Ross Hood; Steelworkers Union, Local 1414, Columbia Steel Company, Jim Meyer, a player; Harbor General Hospital, Manager Robert Leeveak; National Supply Company, Manager D. A. "Spud" Murphy and Team Captain L. E. Morris; Potters Union, Local 218, Manager A. F.

Warrior Forward On Conference All-Star Five

The recent release of the All-Metropolitan Conference basketball team reveals that forward Hugh Corrigan of El Camino has been named to the first squad and that guard Ed Kennedy of the Warriors has been placed on the second squad. Camino center Len Erickson was given honorable mention.

Santa Monica City College dominated selections on the first team, placing forward Gordon Hein and guard Bob Murray on the honored five. Center Henry Fuller of San Diego, and guard Norm Witte of East Los Angeles complete the first squad.

Others to join Kennedy on the second team were forward Mary Hiett of San Diego, forward Glen Helmer of East Los Angeles, center John Bogdanov of East Los Angeles, and guard Wayne Smith of Bakerfield.

100-Lap Stock Car Race Set At Speedway

Stock car racing takes over the speed spotlight at Carrell Speedway this Sunday afternoon with the staging of the 100-lap Stock Car National Championship race.

The classic will be held on the Gardena half-mile dirt course.

All late model stock cars will compete for the rich purse at stake, according to the stock car association officials and Bill White, Carrell's director of racing.

Heading the entry list are Eric Erickson, Lou Figaro, Jim Riggsby, Fred Steinbroner and Danny Weinberg, all famous stock car competitors.

Riggsby and Figaro are scheduled to drive Hudsons, with Erickson due to handle a Pontiac.

Time trials will start early Sunday, with the race feature scheduled to start at 2:30.

GOLFER GREG BERG
... No Girls For Greg —Herald photo—

Accuracy Is Greg's Formula In Laboratory or in Golf

Greg Berg has his head set on becoming a pharmacist. But his heart is set on being a pro golfer.

The quiet, red-haired and freckle-faced Tartar Junior is one of those rare proteges coaches dream of finding—a boy who eats, sleeps and lives his sport.

The 16-year-old, who lives at 2261 West 233rd street, has no girl or other diverting interests. Since he first discovered what fun there can be pushing a pill around a made over cow pasture, he hasn't had any real interest in anything but pill-pushing.

If he can't do it professionally outside, he will go to college to learn pharmacy so he can support himself in order to do it for fun.

And the accuracy that he takes into his pharmaceutical studies is the keynote to his success on the green, where he has shot as low as 36 for nine holes.

He is not notably a long or strong hitter. But his accuracy—that is what counts when he approaches a green. Tartar Golf Coach Roy Stewart said Berg is one of the best potential golfers he has ever seen, steady and calm in the face of all conditions.

Maybe the Tartars have a future star in their midst.

It might be worth watching him when he enters the Ingleswood Invitational Tournament April 10.

HALIBUT VARIETIES
Specimens of halibut have been caught that weighed as much as 300 pounds and that were 6 to 8 feet in length. The average is about 50 to 75 pounds.

Beverly Hills Downs Tartar Golf Team

The new Tartar golf team came off second best in its match Monday with Beverly Hills at Palos Verdes Golf Club with a close score of 315-296.

Coach Roy Stewart's pride, Greg Berg, was unable to duplicate his record-tying nine hole 36 he made there two weeks ago against Ingleswood, but did manage a 40 to lead the Torrance aggregation.

James Estes was behind him with a 44 in the first match against Beverly Hills' Sherwin Turbow (37) and Jim Merrill (43).

Bob Hubbard got a 49 in the second match, but Merrill Lloyd's 60 added up against opponents: Don Grasse (49) and Jim Hawkins (55).

In the third match, Milan Watrin's 55 and Ted White's 67 were not nearly good enough for the Beverly hills stringers Richard Atkin (50) and Phil Burton (59).

TORRANCE TRACK MEN WIN AGAIN

The Tartar track men astonished themselves again this week by winning their second varsity meet in a row after a two-year drought without a single win.

Duane Mittan was given credit for cinching the win from Rosemead with a first place in the 880-yard run after he was transferred from the mile in the hope he might make a second.

The total score at the beginning of the 880 was 47 1/2 points in favor of the Tartars. Track Coach Rex Welch was dubious about the relay coming after the 880, in which ordinarily one team takes five points and the other gets nothing. He felt that if Mittan could pick up three or four points in the 880, Torrance could at least be certain of a tie.

Instead, Mittan sput up six points in the winning spilt and the two teams tied for the relay with a windup score of 56-48.

Harry Baylis, who last week bested the school Class C record of 21 seconds flat for the 180-yard dash set by Bob Schmitt in 1948, bettered his last week's mark again this week from 19.7 to 19.2.

Welch is entering only B and C teams this Friday in the El Monte relays when he goes up against 20 of the best schools in Southern California. He says there is not enough depth in such a small school as Torrance to be able to spread the talent over three classes. But he's counting on the second and third teams to bring home the honors.

From start To finish

A touch of the starter button commands more get-up-and-go than any other in its field. For only the '50 Ford in its field offers you a 100-horsepower V-8 — an engine so quiet you can hardly hear it... yes and so thrifty you'll have to own a Ford to believe it.

From its sparkling new baked-on colors that are "built to live outdoors" to its 13-ways-stronger "LifeGuard" Body, quality feature after feature have been built into the '50 Ford... features that make Ford the one fine car in the low-price field.

FORD gives you more for your money

Listen to Ford's sound-conditioned quiet. Feel the comfort of Ford's "Mid Ship" Ride. See Ford's "Fashion Car" styling—now more beautiful than ever. You'll realize that nowhere else can so little money buy you so much car.

"TEST DRIVE" THE '50 FORD at your FORD DEALER'S. It will open your eyes!
